An ambivalent Cinderella? A blood-thirsty Little Red Riding hood? A Prince Charming with a roving eye? A Witch...who raps? They're all among the characters in James Lapine and Stephen Sondheim's fractured fairy tale.

When a Baker and his Wife learn they've been cursed with childlessness by the Witch next door, they embark on a quest for the special objects required to break the spell. Along the way they meet almost every well-known fairy tale character. A community must come together to save each other and their kingdom, but sacrifices must be made... Featuring some of musical theatre's most iconic songs including Agony, Stay with Me, Giants in the Sky plus many more, The Biz's Summer School production is going to be bewitching.
